

# ZERO

## The Vacuum Sealer

BUILT-IN VACUUM SEALER

### TECHNICAL DETAILS

- 1) Available in three heights: 45, 36 or 15 cm.
- 2) Depending on the version, the internal chamber is big enough to contain traditional glass jars. Alternatively, it can be connected to external containers by means of the special adaptor provided.
- 3) Indispensable for vacuum cooking, Zero extends the storage life of food, both solid and liquid, up to fivefold.
- 4) Just like the automotive Bosch Pump, Zero transforms this power into the first domestic professional-standard built-in vacuum sealer.
